TRANS WORLD RADIO

Trans World Radio's transmitter building is seen here with the giant curtain antenna reaching into the clouds immediately behind it. In the foreground is the feeder line leading to the giant 760 foot (233 meters) medium wave antenna.

Kermit Geary

Many thanks for your report of November 4, 1967
15,335 KHz. 23:15 – 00:29 GMT.
You have been listening to the super-power voice of Trans World Radio broadcasting from colorful Bonaire in the sparkling blue Caribbean.

Trans World Radio owns and operates a radio complex which includes seven short wave corner reflector and curtain antenna installations along with a 260 kw and a 50 kw short wave transmitter. A 500 kw medium wave transmitter feeds into a 760 foot medium wave tower.

Trans World Radio is an interdenominational, non-profit organization dedicated to broadcasting the Gospel of our Lord and Saviour Jesus Christ from Monte-Carlo and Bonaire. Trans World Radio is on the air daily from Monte-Carlo and Bonaire with broadcasts in 25 languages.

Sincerely,
Dara Ann Fleming
